MEN'S FITNESS CENTRE

CLASS DESCRIPTIONS

GROUP EXERCISE

This 45 minute class will get your heart pumping!

A combination of free weights, abdominal training and boxing.

STRETCH

Is your flexibility not what it used to be?

Then why not try our 60 minute class that is designed to increase flexibility, reduce muscle tension and increase circulation?

YOGA

Experience the benefits of Yoga in this 45 minute class. Feel the difference while you improve strength, flexibility and also posture.

CARDIO BOXING

Guaranteed to burn calories.

Build muscle strength, endurance, balance, agility and coordination all in the one class.

CYCLE

Are you ready for the ultimate cardio session?

Burn Calories, build muscle tone, increase cardio endurance. For an introduction to a class, please see our friendly gym floor staff.

FUNCTIONAL TRAINING

High Intensity Interval Training.

This fun and highly-charged class will enhance metabolic conditioning and functional strength – two of the more critical components of holistic fitness and wellbeing.

X ZONE

This class is designed for the time-poor fitness guru.

For 30 minutes, participants will receive a dynamic fast-paced training session.

RO-BO FITNESS

A combination class of half rowing and half boxing. High energy and intensity class. Great for cardio, overall body strength and great for self-defence.

TECHNIQUE BOXING

A great cardio workout which teaches correct boxing technique. Excellent for self defence skills and building confidence.
