

MASQUERADE CAFÉ

Introducing Masquerade Café to City Tattersalls Club. Named after our former eatery in the late 1990s, where masked robotic performers urged Members and visitors to visit the Club and experience what was formerly Masquerade Bar and Lounge.

Previously the lounge was inspired by Las Vegas' Rio Casino, which featured Venetian murals and a 4-metre virtual racing tracks, designed as a replica to Sydney's first racetrack. A great connection to City Tatts' great booking and racing history, which we continue to take inspiration from today.

In the Masquerade Bar and Lounge, twirling robotic performers, working on then cutting-edge technology, emerged hourly to perform hits from various periods, belting out 1920s jazz, Mardi Gras carnival tunes or war-time favourites. Masked Carnival players first greeted visitors when they arrived downstairs, with another two figures jumping to life on a raised balcony to sing an invitation to "Come on, the party's up here."

This inspiration has transpired into the Masquerade Café today opened in March 2021, where we offer a selection of organic and wholesome food and drinks available for Members and guests to enjoy with us. Masquerade Café also offers a comfortable space to enjoy playing the fun easy game of Keno.
